WHAT THEY SAY ABOUT US

«It's great that the Zurich Film Festival exists and can defend the cinema and the various international cultures represented through the films it presents to its audience.»

– Juliette Binoche, Academy Award-winner

«If Cannes and Venice are the grandmothers of the European festival scene, ZFF is the trendy teenager. It popped up in 2005 and quickly became established, with thousands of industry folk visiting the Swiss city»

– The Guardian

«No other festival has managed to gather global recognition so quickly since its foundation as the Zurich Film Festival.»

– The Hollywood Reporter

«A new record – which turns the Zurich Film Festival to be Europe's most attractive Film Festival in the autumn season.»

– BZ Berlin

«I'm not surprised that the Zurich Film Festival has become one of the most important ones in Europe. The care and support is perfect, the program is great and the city and people are fantastic.»

– Daniel Brühl, Actor

«The Zurich Film Festival has a very special place in my heart, because the ZFF was the first film festival I was ever invited to 15 years ago»

– Eddie Redmayne, Academy Award-Winner
